

This screenshot shows the WordPress widget configuration interface. The left sidebar contains a navigation menu with options like Dashboard, Posts, Portfolio, Media, Web Accessibility Basic, Pages, Comments, Appearance, Theme, Customizer, Widgets, Menus, Getting Started, Theme Options, Faqicon, Theme Editor, Plugins, Users, Tools, Settings, SEO, Performance, Insights, Mega Menu, and Collapse menu. The main content area displays the 'Widgets' section for a widget titled 'Ophira Eisenberg (her own show Ask Me Another on NPR, Late Late Show, Today Show)'. Below the title, there is a video thumbnail of Ophira Eisenberg performing on stage. The text below the video reads: 'Shaun Eli (Quick Laughs on Amazon seasons 1 & 2) Tickets on sale soon'. At the bottom, there is a section for 'Saturday February 26, 2022 7:30 PM' with the address 'Louisa Arts Center, 212 Fredericksburg Ave, Louisa, VA (540) 967-5200'. A 'Widget Areas' sidebar on the right explains that widget areas are global parts of the site's layout.

This screenshot shows the WordPress widget configuration interface for a different widget. The main content area displays the 'Widgets' section for a widget titled 'Jon Fisch (Colbert, Letterman, Comedy Central) Shaun Eli (Quick Laughs on Amazon seasons 1 & 2) Tickets'. Below the title, there is a video thumbnail of Jon Fisch performing on stage. The text below the video reads: 'Booking Information' and 'For other comedy shows we also recommend Liberty Comedy.' Below this text is a search input field and a 'Theatres' dropdown menu. The 'Widget Areas' sidebar on the right is visible, providing context on widget areas.

This screenshot shows the WordPress widget configuration interface with a list of widget areas. The main content area displays the 'Widgets' section, which is currently empty. Below the title, there is a list of widget areas: Synagogues, Charities, Golf Clubs, Conferences, Emcee, Free, Church, Law, Contact, and Topbar Widget. Each item has a dropdown arrow next to it. The 'Widget Areas' sidebar on the right is visible, explaining that widget areas are global parts of the site's layout.

The image shows a Windows desktop environment with several open windows. The primary window is the WordPress admin dashboard for 'The Ivy League of Comedy'. The 'Appearance' menu is expanded, and the 'Widgets' sub-menu is selected. The 'Widgets' page displays a list of widget areas with their respective widget counts:

- Church: 0
- Law: 0
- Contact: 0
- Topbar Widget: 0
- Footer Column 1: 0
- Footer Column 2: 0
- Footer Column 3: 0
- Footer Column 4: 0
- Max Mega Menu Widgets: 0
- Inactive widgets: 0

A 'Widget Area' block is visible on the right side of the screen, containing a warning message: 'Widget Areas are global parts in your site's layout that can accept blocks. These can be theme, but are typically parts like your Sidebar or Footer. Manage with live preview'. The desktop taskbar at the bottom shows the time as 3:54 PM on 8/1/2021. Other open windows include a Microsoft Word document and a browser window displaying a video player.
